2 side by side lots on 12th/Laule’a Rd. in Orchid Isle Estates/Glenwood Gardens. Must be purchased together. Combined, are over 1/2 an acre. MLS 632020: 3-1-8-31-39; MLS 632021: 3-1-8-31-40 These lots are lightly forested in ohia, ginger, ferns, and wild orchids. Lots are 70 feet across and 171 feet deep. Lots are on left side of street. When you see pole #6 park there and walk another 70 feet. This is approximate location of first lot parcel 40. Then go another 70 feet to parcel 39. There are no further power poles on this street. Power Pole would have to be brought in and paid for to service these lots. Water is by catchment. Buyer to do own due diligence as to availability and cost of services (TV, internet, electric, phone). Glenwood Gardens/Orchid isle Estates is in the cooler elevation of Volcano. Lava Zone 3. Volcano National Park is about 10 miles further south and another mile past that is Volcano golf and country club. The town of Volcano has restaurants, art galleries, markets, gift shops, a post office, gas stations, hardware store, a skate park and playground for kids and awesome Farmers Market at the Cooper Center on Sunday mornings. In the other direction 12 miles north is town of Keaau with Longs Drugs, Family Mart, Fitness Center, Java Joe’s, Coffee Shop, etc.
